## MINERS PRESENT ULTIMATUM

### ON DISPUTE OVER WAGE SCALE

**Operators Must Agree to Pay  
Scale of 1903 or Work Will  
Cease—Little Prospect of an  
Agreement Being Reached.**

Indianapolis, Ind., March 26.—The United Mine Workers of America, through the proper officials, this afternoon presented to the coal operators in executive session of the joint scale committee of the central district their ultimatum on the dispute over the wage scale. The demand of the miners, as stated in their ultimatum, is for restoration of the wage scale of 1903, which is an increase of 5.56 per cent. Upon receipt of the ultimatum the operators secured an adjournment of the committee until tomorrow, when it is expected a definite answer will be given. It is anticipated that this reply will be a refusal by the operators and the committee will report a disagreement to the joint conference. The fight in that case will be continued on the floor of the joint convention.

To night there is as little prospect of agreement being reached as there has been at any time. The morning session of the committee to day was without result. After the noon adjournment, John Mitchell took the floor and said he had been informed on reliable authority that there were rumors that the operators believed if they would stand firmly by their position and prolong the sessions of the joint scale committee, the miners would agree to sign the present scale and recede from their demand for increased wages. He said he wanted to explain to the operators that there would be under no circumstances an agreement at less than the scale of 1903, unless after disagreement the operators could enforce less terms, and he did not believe they could.

T. L. Lewis, vice president of the Mine Workers, followed Mitchell. He said he was surprised to learn at the present stage of the proceedings that such rumors were abroad, and continuing, said he wanted to say more than President Mitchell said. We will be divided neither in this scale conference, nor in any other conference, in convention or anywhere else, so far as I am concerned. If we have got to such a point in the deliberations where it is a case of wait to see who is going to be able to divide forces on either side, then I believe we are considering a very dangerous proposition. I realize fully the situation confronting us in any frivolous manner. I know what suspension of work means to our people; I know what it will probably mean to millions of other people who are not directly interested in these questions, or only interested to the extent that it affects their interests when miners cease work. I have hopes we may be able to find a solution of our present difficulties; but that solution will only come when both sides are ready to sign a wage agreement, carrying with it the prices paid in 1903. Can the operators pay the 1903 scale? We believe they can, and there is no reason for our considering anything else. If we leave this conference and suspension of work takes place in the mining industry of this country, it will not be because of any personal differences between the operators and miners. Of course, after we have ceased negotiations and arrayed our following on different sides of the question, I am not prepared to say what will develop. One thing is certain, if personal differences arise, even during that stage of the proceedings, it would necessarily have to be eliminated before we could get back to face again unless one or the other side is determined to annihilate the other side. I don't think, as intelligent men, we have reached that point in our deliberations. We are simply making known our position in order that the rumors referred to will have no effect whatever on the minds of the operators.

Herman C. Perry, president of the Illinois miners, said he had heard it rumored that different interests had been attempting to use their influence to bring about a strike, notably the small operators and coal dealers, who, he had been informed, were supporting a lobby in the hope of influencing the operators to force a disagreement. Intimated other interests were using the same means. To this he added: "That there positively would be no division of the Illinois miners and no mine would be allowed to run even with an advance in wages, unless all union miners of Illinois were given the same advance."

There was a short discussion conducted in a friendly vein and a motion to adjourn the committee until tomorrow morning was unanimously adopted. The feeling to night is that the miners, under no circumstances will allow any district to sign even the advance scale demanded unless it is paid in the four states in the central field.

#### A PROPOSITION.

Pittsburg, Pa., March 26.—Information was received to day at the headquarters of the local district organization of mine workers to the effect that President Mitchell has made a proposition to operators to sign 50 per cent of them on the wage scale of 1903, but refuse to sign with Rob-

bins' interests individually, even though he represents over 50 per cent of the bituminous tonnage. Miners at the local headquarters threaten to bolt and sign with Robbins on their own initiative if this report proves to be true. One of the district officers openly declared the Pittsburgh district of mine workers would not be bound by any such proposition coming from Mitchell and if necessary would leave the organization before accepting any such orders. Strong sentiment was expressed in favor of acceptance of the terms made by Robbins and signing with the Pittsburgh Coal company and any other companies willing to pay the scale of 1903.

One of the local independent operators expressed the belief to day that the time was opportune to turn the controversy between bituminous operators and miners into the hands of a board of arbitration with a provision that the men should continue at work until the board found a basis for agreement which would be retroactive from April 1.

This operator pointed out the fact that this step was not resorted to in the anthracite strike until the whole country was compelled to suffer dire distress. He further declared such a proposition could not be rejected with grace by either side without placing it entirely on the defensive.

#### FLOODS IN IOWA.

Marshalltown, Iowa, March 26.—Terrible rains have caused many Iowa rivers to overflow. Linn creek to day became so swollen that the Iowa Central railroad was compelled to close its car shops. Sidewalks were swept away and the streets were covered with water. Near Mason city, a train on the Great Western had barely got over a bridge when the structure went down. The locomotive was thrown down the embankment, but the passengers were not injured. Earl and Cecil Larsen, brothers, of New Hartford, were thrown from a buggy by a runaway horse into a swollen creek and both drowned.

## MADE HIS ESCAPE

Boston, March 26.—Stephen A. H. Putter of San Francisco, wanted by the United States Government as a witness in land fraud cases in Oregon, was arrested here to night by United States Marshal Burns of Washington, D. C., but after being in custody less than half an hour Putter drew a revolver and succeeded in escaping. It is alleged that Oregon state authorities want Putter, who was a broker, in connection with forgeries of school certificates in valuing \$70,000. After Putter had been arrested he suddenly drew a revolver threatening to kill Burns. The latter seized Putter's pistol arm, but could not wrench the revolver from him. The struggle continued for some time and finally Putter freed himself and ran, with Burns in pursuit, but he escaped.

#### ROYAL NEIGHBORS' SOCIAL.

White Rose Camp No. 299, Royal Neighbors of America, gave a pie social, entertainment and dance in Odeon hall Monday evening, which was attended by about 350 people. The evening was a pleasant one for all present. After the regular business meeting, which was a short one, a program was rendered as follows:

Piano solo—Mrs. Randall.  
Recitation—Harry Hopper.  
Song—Miss Marie Olden.  
Song—Dr. M. H. Goodrick.  
Piano solo—Mrs. Barbara Olden.  
Song—Miss Marie Olden.  
Piano solo—Miss Eunice Harvey.  
Dr. T. O. Hardesty gave a short talk, after which refreshments, consisting of pie and coffee, were served. Dancing was then indulged in until a late hour.

This order is a new one which was organized in this city Feb. 15 with twenty-four charter members. The membership is now forty-five and live applications were received last night. This, the first social of the new order, was a success in every particular, and the committee in charge was composed of Mrs. Laura Galens, Mrs. Mary Elmgott and Mrs. Grace Armstrong.

#### CUTTING AFFRAY.

J. J. Gladden and John Merrick got into a difficulty over money matters Sunday afternoon in Broadway alley, and in the affray that followed Gladden was badly cut in the face and on one hand with a knife. He swore out a warrant against Merrick, charging assault with a deadly weapon, and the latter was arrested by Patrolman Preston. He gave bond in the sum of \$200 for his appearance, and will have a hearing Thursday.

The Standard Bearers of Brooklyn church will meet this evening at 7:30 o'clock with Miss Bertha Owen, 143 West Morton avenue. All members are requested to be present.

#### OKLAHOMA TORNADO.

Perry, Okla., March 26.—Thousands of persons were severely injured and thousands of dollars' worth of property was destroyed in a tornado that struck the neighborhood of Billings, Okla., Sunday night. Mr. and Mrs. James Russell were critically hurt as they lay in bed. Their home was literally blown to pieces over their heads and they were buried in the ruins. Mrs. Sam Morrill sustained serious injuries in a similar manner.

## WILL LET WELL ENOUGH ALONE

### NO TARIFF REVISION AT PRESENT SESSION

**Announcement Made by Chair-  
man of Ways and Means Com-  
mittee—Dingley Bill the Most  
Successful Ever Enacted.**

Washington, March 26.—What may be regarded as the final pronouncement against tariff revision at the present session of congress is contained in a letter from Chairman Payne of the house ways and means committee in reply to a communication sent him by Representative McCall on behalf of the Massachusetts delegation in congress. McCall calls attention in his communication to the declaration in the Republican state platform of Massachusetts for tariff revision with adherence to the policy of protection, and to the declaration in the Republican national platform regarding readjustment of duties when conditions demand, and entrusting the question to a Republican president and congress. The Massachusetts view as presented is that conditions have so changed as to demand a change in Dingley rates, which have served nine years.

In his reply Payne first calls attention to the method by which tariff legislation must be brought about—by a concurrent view of the majority of the party in power. He next points out that this concurrent view does not exist. The house, he says, is divided into groups of members, each group favoring modification of different schedules, in which he says a majority of the Republicans in the house do not believe there should be any change at all. He declares the people have not followed the disaster, politically and commercially, which followed the tariff revision of 1890, and concludes:

"Congress is not prepared to review tariff schedules in that calm, judicial frame of mind, so necessary to the preparation of a tariff act at the time so near congressional elections. The Dingley bill was the most successful ever enacted. Its practical results were so evident to this country during the eighteen months that elapsed between its passage and the next election that the people have continued the policy of that bill to the present day. It would be unfortunate should any precipitate action in the future result in a temporary reversal of the policy of protection in the United States. While it is true some improvement could well be made in rates under the Dingley bill, it was probably as free from defect at the time of its passage as any new law which could be enacted. During the nine years of its operation this country has enjoyed prosperity unparalleled—prosperity which at the present time is simply marvelous. We may well hesitate to take any chance of interrupting the business of the country by a general revision of the tariff, and we should never enter upon it until we are satisfied such revision will accomplish results far outweighing any well grounded apprehension of business depression and consequent results which would come even temporarily from such revision. I cannot, therefore, agree with your delegation that it would be best at the present session of congress to enter upon consideration of the tariff with a view to its revision and readjustment. While this is my individual opinion, I have reason to believe it is also the judgment of a decided majority of the committee on ways and means."

## BURNED TO DEATH

### Two Men, Eight Horses and a Cow Cremated in Freight Car

Fargo, N. D., March 26.—Two men, eight horses and a cow were roasted to death in a freight car near Gardner station, twenty miles north of here, yesterday. The men were enroute from their homes in Ayresville, Iowa, to Williams county, North Dakota, where one of them had bought a farm. In some manner a lantern used for lighting the car became unfixed and falling exploded. Instantly after it fell the floor caught fire and the car was transformed into a roaring furnace. The men tried to open the doors of the car, but without avail. A son of P. S. McGuire fought his way through the fire to the end door and escaped, seriously injured. The dead: P. S. McGuire and E. M. VanHorse.

#### SAILED FOR MANILA.

San Francisco, March 26.—The United States army transport "Thomas" sailed to day for Manila. She carried many cabin passengers and a number of Marines, but no regular troops. Her cargo consisted of 4,000 tons of army supplies.

#### SURPRISED BY POLICE.

Barcelona, Spain, March 26.—A secret Carlist meeting was surprised by the police to day. The president of the meeting was wearing a colonel's uniform. Several arrests were made and a quantity of rifles, cartridges and other military effects confiscated.

## J. C. M'GOWAN DEAD

### Said to be Only Man Who Es- caped From Libbey Prison.

Washington, March 26.—John C. McGowan, supposed to be the only man who ever escaped from Libbey prison in daylight, died here yesterday morning, aged 70 years. He had been bedridden for nine years as a result of his prison experience. Mr. McGowan enlisted in the First Maryland regiment. He was captured by the confederates, escaped from Lynchburg, Va., and was retaken. He was sent to Belle Isle prison and afterward transferred to Libbey.

One night notice that they would be exchanged on the next day was given to some of the prisoners confined with McGowan. Among them was a young soldier from Michigan named Quill, who afterward became a rancher in Texas. Mr. McGowan was then very ill and Quill determined to assist him to escape when the roll of the men to be exchanged was called next day. Mr. McGowan responded to Quill's name and marched out of Libbey. Immediately thereafter Quill, according to the arrangement he had made with McGowan, sent word to the officer in charge of the prison that he had been overlooked. The file with which McGowan was marching was halted and an attempt made to find the extra man. For some reason the search was postponed until the waiting exchange boat was boarded. McGowan hid himself and further search failed to find him. He successfully got aboard the union exchange boat later in the day.

## FLOOD WARNING

Washington, March 26.—Warnings have been issued for a rapid rise in the lower Missouri river and in the Mississippi between Alton and Chester.

Milwaukee, March 26.—Reports from the flooded territory are:

Green Bay—Area of ten blocks on west side is covered with water, with no immediate prospect of abatement.

Neenah, Wis.—Rain has been falling the greater part of two days and much damage will result. The region in and around Waverly and Drignton is under a foot of water.

Woonsocket, R. I.—Woonsocket has the high water for several years and it is constantly rising.

Preston, Minn.—March 26.—Heavy rains yesterday and to day delayed all trains. The southern Minnesota division of the St. Paul road is tied up between La Crosse and Ishpeming. The flood river here is at the danger point and slowly rising. Rain is still falling steadily.

San Francisco, March 26.—The storm which has prevailed over California during the past few days was phenomenal in character, but normal conditions are being restored. Streams in all parts of the state are rising, the volume of water being swelled by rains and from the rapid melting of snow in the Sierras. Much damage has been done and more is expected. The rainfall, however, has assured bountiful harvests.

## FIREMEN PERISH

New York, March 26.—Four firemen perished and about a score of firemen and citizens were injured to day in a fire accompanied by a series of explosions that demolished a six story factory building on the lower west side of the city. The loss is estimated at \$200,000.

Los Angeles, Cal., March 26.—A cablegram, dated Jucau, Alaska, March 26, from United States District Attorney Boyce, says the town of Wrangell, Alaska, has been almost totally destroyed by fire and appeals for aid for sufferers. The dispatch states every store in town was burned and the loss is \$100,000. The customs house was saved.

Chicago, March 26.—Fire to night in a six story brick building, 237-29 Market street, occupied by several wholesale clothing merchants, caused a loss of \$150,000. The principal losers are: Bergman Bros. & Co., the White Goods Manufacturing company, Pinkelstein & Co., and David M. Ottenhemmer & Co.

#### BALLOON DAMAGED.

Copenhagen, March 26.—Two German soldiers landed from a balloon at Karlskrona Sunday. They left Berlin Saturday and crossed the Baltic in a large snow storm. As they were nearing the Swedish coast the storm caused a rent in the balloon, permitting gas to escape. The balloon began to descend and the men were obliged to cut away the basket, throw out its contents and cling to the net. It was two hours before they landed exhausted.

## SITUATION GRAYE

London, March 26.—The Mail's Tangier correspondent declares he has unimpeachable authority to state that urgent orders have been given many powerful chiefs to hold their strongest contingents in readiness to repel any sudden unauthorized landing of foreign expeditions or the establishment of factories, such as that at Marseilles. The correspondent adds the situation in Morocco is far more grave than has been recognized in Europe.

## DATE FOR VOTE ON RA

### TRYING TO BE ARRANGED BY SENATORS

**Various Members Desire Action  
on Amendments Offered—  
House Puts End to Printing  
Useless Public Documents.**

Washington, March 26.—There was a hint in the senate to day at an effort to fix the time for a final vote on the railroad rate bill, but it was surrounded by so much circumstance and doubt that no prediction as to the time would be justified. Tillman stated he would bring the matter up in the senate to morrow and unless objection was then made he may ask to have a day specified.

The suggestion as to time arose in connection with more or less serious efforts on the part of a number of senators to secure immediate consideration of amendments offered by themselves. Tillman resisted all attempts of that kind in the absence of many senators, saying that the vote ought not to be taken without full notice to the senators. Among the provisions offered were: By Foraker, prohibiting issuance of passes; by Scott, compelling railroads to connect with other railroads; Culberson, denying to interstate roads the privilege of making campaign contributions. Overman made a general speech in support of the bill and Teller spoke at length against undue haste in considering the question.

#### HOUSE.

Following the president's suggestion, the house to day passed several resolutions to correct the useless printing of public documents and empowering the printing committee of the two legislative bodies to fix the number of documents to be printed, and should the demand arise for additional copies of a publication, they to have authority to order another edition.

It was claimed that this action would result in saving the government upward of a million dollars annually.

The fortifications appropriations bill was sent to conference with Smith of Iowa, Keifer of Ohio and Fitzgerald of New York as conferees. Nearly the entire day was devoted to District of Columbia business.

Non completion of bill having only district interest, a large number of bills local in character were passed.

The house passed bills authorizing the St. Paul railroad to construct bridges over the Missouri river in South Dakota; granting Prof. Simon Newcomb, lately connected with the naval observatory, the right to receive a decoration from the German emperor; granting permission to the secretary of the interior to issue a patent to Keystone Camp, Modern Woodmen, of South Dakota, for cemetery purposes.

## OIL MEN TESTIFY

### Vice President and General Au- ditor of Standard Oil Com- pany Heard.

New York, March 26.—John D. Archbold, vice president of the Standard Oil company, was the principal witness to day in the hearing conducted by Attorney General Hadley of Missouri before United States Commissioner Sanborn. In response to Hadley's direct question: "Who is the active head of the Standard Oil company?" Archbold said that there was "no master mind in the Standard Oil" that it consisted of an aggregation of individuals.

Archbold also ventured the statement that John D. Rockefeller had no desire to evade any questions; that Rockefeller knew nothing about matters concerned in the present suit; but that if Hadley wished to go to Lakewood and question him he would find Rockefeller willing to answer any question.

Hadley interrupted this statement with the remark: "There is only one way to examine the witness here."

Wade Hampton, general auditor of the Standard Oil company, said he had on various occasions sent men from his office in New York to St. Louis to audit the accounts of the Waters-Pierce Oil company, and that while so employed the men were on the pay roll of the latter company. The same course was pursued in auditing the books of the Standard Oil company of Indiana.

#### MONDAY HISTORY CLUB.

The regular weekly meeting of the Monday History club was held yesterday afternoon at the home of Mrs. Albert Browning McCue, 120 Merrill place. The annual election of officers for the ensuing year took place and the following ladies were elected:

President—Mrs. W. B. Young.  
Vice President—Mrs. H. B. Fargo.  
Secretary—Miss Martha Greenleaf.  
Treasurer—Mrs. A. B. McCue.

#### JUSTICE COURTS.

The case against J. Marshall Miller charged with assault and battery was dismissed in Squire Dyer's court by the states attorney.

## CITY CLERKS AND CITY ATTORNEYS

### Held Initial Session in Peoria— W. M. Morrissey Made Chair- man of Executive Committee— Also Read Paper Before Gathering.

"The Illinois Association of City Clerks and City Attorneys" was organized in Peoria Saturday, as the result of a movement which has been on foot for some months. A meeting of clerks and attorneys was held at Bloomington Jan. 20, for the special purpose of discussing the primary election law, and at this meeting a committee looking to permanent organization was appointed. This committee met in Springfield March 10, and decided to call a meeting for March 24 at Peoria. The meeting was held in the assembly room at the Peoria city hall. Ben L. Goodheart presided, and was elected president of the association. W. M. Morrissey of this city was elected chairman of the executive board, and read a paper before the meeting.

There were forty-five present, and about one hundred belong to the association. Those present represented thirty cities of the state with an aggregate population of about 2,000,000.

Mayor Tolson delivered the address of welcome and the response was by Thomas F. Doyle, city attorney of LaSalle. The working committees were appointed and later on a constitution and by-laws adopted. All clerks and attorneys of cities over 1,000 in population, excepting Chicago, are eligible for membership. The membership fees were fixed at \$2 for clerks and \$1 for attorneys and the general consensus of opinion was that the cities represented should and probably would, provide for the membership of their representatives.

Officers were elected as follows: President—Ben L. Goodheart, city attorney of Bloomington.  
Vice president—Thomas F. Doyle, city attorney of LaSalle.  
Secretary—Frank T. Reid, city clerk of Springfield.  
Treasurer—Robert Joss, city clerk of Peoria.

The executive board was made up of: W. M. Morrissey, city attorney of Jacksonville, chairman; Robert S. Haley, city attorney of Joliet; J. A. Jones, city attorney of Delavan; J. H. Soldwedel, city clerk of Pekin; H. C. Shafer, city clerk of Rock Island.

The general theme of the meeting was "Special Assessment Laws," and the leader of the discussion was W. M. Morrissey of this city, who presented a very comprehensive paper. The object of the association is the discussion of statutory provisions which affect municipalities, and remedial agents for some of the difficulties experienced in administering a city.

The first annual convention of the association is to be held in Mobile June 14, Bloomington, Jacksonville, Champaign and Streator were candidates for the location of the convention and three ballots were required for a decision.

#### FOR RENT.

A good 8 room house, No. 320 S. Church St. All modern conveniences. F. L. Hargrove.

#### MARKED SUCCESS.

The many friends of Howard Thompson Wilson (son of Dr. J. F. Wilson of Tallula, Ill.) will be pleased to learn of his marked success in the musical world of London, where he has often sung before royalty the past winter, and is now engaged for the opera season of May and June at Royal Opera Covent Garden.

On April 4th he will give a recital in one of the famous concert halls of the city.

During February Mr. Wilson made a most successful concert tour of the larger cities of Ireland with the noted artists Mme Nevada and Karkosky.

Mr. and Mrs. Wilson were guests of Mr. and Mrs. W. T. Brown of Sandusky street last spring and sang at the delightful musicale given in his honor at the Brown home. His friends of Jacksonville will be pleased to hear of his continued successes, which are certainly deserved.

#### HOUSE CLEANING.

When you clean house you will want to paper and paint. Smith & Reave will see you about either, and will also re-finish your furniture to make it look like new. Most reasonable prices.

#### BODY FOUND IN WOODS.

Wapakoneta, Ohio, March 26.—The body of Fred Buchetta, a prominent citizen and retired mill owner of St. Mary's, who had been missing three weeks, was found to night in Harrington's woods. Murder and robbery is suspected.

## KILLS DAUGHTER AND HIMSELF

### COULDN'T BEAR THOUGHT OF SEPARATION

**Father Broods Over Approach-  
ing Marriage of Daughter and  
Commits Tragedy a Few Hours  
Before Time for Wedding.**

Everett, Mass., March 23.—Less than three hours before the time set for her wedding to day, Daisy E. Townsend was shot and mortally wounded by her father, Joseph E. Townsend, in their home in this city. Townsend shot himself dead. Miss Townsend was to have been married to Francis E. Perry of Port Myers, Fla., to night. Early in the afternoon the father sent the only member of the family, his 16-year-old son Joseph, to East Boston on an errand connected with the coming wedding. When the boy returned he found his father on the floor dead, a small rifle across his knees. Beside him was a revolver of heavy caliber. Miss Townsend lay upon a couch still alive. The boy attempted to force some brandy down his sister's throat and failing, hurried after doctors. When they arrived the girl was dead. She had been shot through the head.

So far as known Townsend had nothing against Perry, and the supposition is that Townsend's mind was unbalanced by reason of his love for his daughter and his brooding over the prospect of separation from her. His wife has been dead several years.

#### FAMILY REUNION.

A delightful reunion has been enjoyed in the Robinson family of this city during the past two days, the persons referred to being the venerable W. D. Robinson, his sons, Marcellus and Asa, and families and their visitors. The latter were Albert F. Robinson, of Chicago, and Mrs. C. M. Burgess, of Benoit, and her daughter, Miss Edna, a charming young lady. A. F. Robinson is a well-known official of the Santa Fe system, and is in special charge of the bridges of the system. Mrs. Burgess is his sister and both are the children of W. D. Robinson of this city. A part of the time was spent at the pleasant home of Asa on North Main street, and part at the equally attractive residence of Marcellus on South Diamond street. It can truly be said that W. D. Robinson is honored in his children and grand children and it is no small satisfaction to him to enjoy their presence and note their standing in the several communities in which they live. A. F. Robinson expected to return to Chicago yesterday and Mrs. Burgess mount to remain a day or two longer.

MRS. NOBLE COMING AGAIN.  
Tuesday evening, April 3, Mrs. Edna Chaffee Noble will appear at the chapel of the Woman's college and give the reading which was unavoidably postponed by her illness when here the last time. Her efforts were so eminently satisfactory on the occasion of her previous visit that there is no doubt regarding her reception the next time she favors this city with her presence.

SPECIAL STUDENT RATES.  
SHAKESPEARE PLAY.  
The Ben Greet company present "Much Ado About Nothing" on Wednesday night under the auspices of the Woman's Club. Believing the artistic presentation of a classic drama to be of great educational value, the club management has made a special effort to secure student rates for the young people of Jacksonville. They have arranged so that rates can be secured by the students of the several educational institutions upon application to the following heads of departments or such representatives as they may appoint: Dr. Ames, of Illinois college; Miss Weaver, Woman's college; Miss Hamilton, high school; Mr. Muddigan, Routt college.

The reciprocation of the students is urged in support of the movement and in the general sale of tickets. Seats reserved Tuesday and Wednesday.

#### CARD OF THANKS.

We wish to most sincerely thank all the kind friends and neighbors who so willingly assisted during the illness and after the death of our son, Josephine.

Josephine Victor and Family.

Arthur Masters, who recently underwent an operation in Chicago, has so far recovered that he was able to return to his home last evening. He was accompanied by his wife and two children and his mother.

Mrs. Thomas Worthington has returned from a visit in Chicago.

# Report of the Examining Committee of Policyholders OF THE JOHN HANCOCK Mutual Life Insurance Company of Boston.

Mr. Daniel G. Wing (Chairman), President of the First National Bank Boston.  
Mr. Charles W. S. Cobb, St. Louis, President of the Glencoe Line & Cement Co.  
Mr. Edwin G. Preston, Boston, Treasurer of the R. H. White Co., Formerly Secretary of the Boston Chamber of Commerce.

## To the Policyholders of the John Hancock Mutual Life Insurance Company.

In accordance with the provisions of the by-laws, the undersigned committee, elected at the annual meeting of the policyholders of the John Hancock Mutual Life Insurance Company, have examined and verified the Annual Statement of the Company for the year ending December 31, 1905, and make the following report:

ASSETS.	LIABILITIES
Loans on Mortgages \$12,627,943.48	Death Claims and Endowments in process of Adjustment or Settlement \$ 59,421.00
Loans and Collateral 500,000.00	Present Value of Amounts not yet due on Matured Installment Policies 171,951.00
Loans and Company's Policies 1,479,920.00	Premiums Paid in Advance 60,473.28
Book Value of Real Estate 3,043,308.97	Dividends Unpaid 164,843.40
Book Value of Bonds 17,126,154.40	Dividends Apportioned, payable in 1906 108,967.28
Premium Notes on Policies in Force 162,941.75	Reserve on Policies Cancelled and entitled to Cash Surrender Values 178,857.00
Cash in Banks and Trust Companies at Interest 322,394.55	Approved Medical and Legal Fees, Bills, etc. 128,552.99
Cash in Banks and Company's Office 65,095.00	Net Premium Reserve as Computed by Mass. Ins. Dept. 31,271,280.00
Trust Funds on Deposit 39,810.91	Trust Funds Held by the Company 39,810.91
Loans on Personal Security 29,633.01	Special Reserve for Accumulating Dividends and Possible Depreciation 831,111.00

Deduct Items not admitted by insurance department 98,650.53	
Total Admitted Assets \$36,974,906.44	Total as Above \$36,974,906.44

We have employed the Eastern Audit Company of Boston to assist us in the physical examination of the securities held by the Company, and nearly a week has been consumed by the Committee in its work.

The only Real Estate owned by the Company is the Home Office Building in Boston, the present value of which is in excess of the figure at which it appears on the books.

The Company owns no stocks of any description.

The Bonds owned by the Company are of high grade, with a present market value considerably in excess of the amount at which they are carried on the books.

The investments in mortgages, in the opinion of your Committee, have been made with care and good judgment. This is also evidenced by the fact that there is but \$710.05 of overdue, unpaid interest, and the Company holds no real estate taken under foreclosure proceedings.

Your Committee have not attempted to examine into or pass upon the technical details of the insurance business, but they have made such examination of the administrative and operating departments at the time at their disposal would permit.

In reporting upon general features of management the Committee realize fully the difficulty of making any comparison of the elements which enter into the business of life insurance, with accepted standards of mercantile business. It can be said, however, that there is everywhere evidence of care, conservatism and fidelity to the interests of the Company on the part of its officers and employees. In none of its operations have we seen evidence of improper alliances or affiliation with outside financial interests, or evidence of the use of money for any unlawful purpose. We have examined the expenditures for administration and salaries in the Home Office, and in the judgment of your committee they are reasonable and warranted.

We have been given every facility by the officers of the Company for the prosecution of our work, and all information desired by the Committee has been promptly and cheerfully furnished.

Respectfully submitted,

## SUNDAY THEATRE

Question Came Up in New Form  
Bijou Had Moving Picture Show Despite Action of Council—Manager Bernstein Arrested—Case Continued.

It was supposed by many that the question of the Sunday theatre had been settled by the refusal of the council to grant Mr. Bernstein, proprietor of the Bijou theatre, permission to run his establishment Sundays, but such is not the case. After taking advice and examining the law Mr. Bernstein decided to open anyhow and did so. He was arrested by Chief of Police Davis and gave bond for appearance and went on with his show again. It was visited by a number of persons who noted the character of the performance and noted nothing vulgar or loud. There were moving pictures and other features but no dancing. The case was called before Squire Reid Monday but was continued till 10 a. m. Thursday. It now appears that the question of Sunday theatres or no Sunday theatres is to be settled if possible and the matter will doubtless be fought over to a final issue. The ordinance on the question is as follows and is taken from the general ordinances of the city and is in the part relating to Sunday observance. There are three sections but the first is the one especially bearing on this question.

"Section 1—Whoever disturbs the peace and good order of society by labor (work of necessity and charity excepted), or by any amusement or diversion on Sunday, shall be fined not less than twenty-five nor more than two hundred dollars. This section shall not be construed to prevent watermen and railroad companies from landing their passengers, or watermen from landing their cargoes, or ferrymen from carrying over the water travelers and persons moving their families, on the first day of the week, nor prevent the due exercise of the rights of conscience by whomever thinks proper to keep any day as a Sabbath."

The advocates of no Sunday theatres claim they will move for a more stringent ordinance should the one recited fail to accomplish the object desired, for it is evident the sentiment of the majority of the tax payers is against this form of Sunday amusement and as the aldermen have expressed themselves the same way it is thought there would be no difficulty in getting a suitable ordinance passed should the present one seem insufficient.

## SPECIAL ASSESSMENT NOTICE

Notice is hereby given to all persons interested that the City Council of the city of Jacksonville, having ordained that a pipe sewer be constructed on East and West College streets in said city, from Hardin avenue to Diamond street (at intervals as shown in ordinance), the ordinance for the same being on file in the office of the city clerk, having applied to the County Court of Morgan County for an assessment of the costs of said improvement, according to benefits and an assessment therefor having been made and returned to said court, the final hearing thereon will be had on the 12th day of April, A. D. 1906, or as soon thereafter as the business of the court will permit. All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Said Special Assessment shall be divided into ten installments, which installments shall all be equal in amount except that fractional installments shall be added to the first, and shall be due and payable on the 2d day of January next, after completion and acceptance of the work, and the second installment one year thereafter, and so on annually until all are paid. All installments except the first shall bear interest at the rate of 5 per cent per annum.

## OBITUARY.

George Lesley Hanson, son of Peter and Fannie Hanson, was born June 29, 1878, near Lynnville, Morgan county, where he resided at the home of his parents until the fall of 1899, when he went to California. In the fall of 1900 he returned on account of his sister's illness and death. After about a year he concluded to return to the Pacific coast. On his way out he remained one year at the home of his uncle, William H. Hanson, near Wichita, Kan., thence going to Los Angeles, Cal. In the spring of 1903, where he resided until December, 1905. During most of the last two years he had been in poor health, growing gradually worse all the time. In the latter part of December last he removed to Tucson, Ariz., in search of health, but found no relief; in fact, he gradually got weaker. About Jan. 21, 1906, he arrived in Wichita, Kan., on his way home, but not feeling able to stand the climate of Illinois, he remained at Wichita until the call came to depart this life, March 22, at 3:30 p. m., being then 27 years 8 months and 23 days old.

George Lesley was a good, open hearted boy, making friends everywhere he went, even among his fellow workmen, his employers and also among the passengers who rode with him on his car, so that many of them became intimate and true friends in his last sickness. He was a member of the Masonic fraternity and some months before his death he requested a friend to see that he was buried by his brother Masons.

George was most people was generally

hopeful of getting well again, and remarked to his uncle William that if he ever got well again he would spend the rest of his days serving God in a religious life. But near the last, when he seemed to lose strength, he thought it doubtful as to his recovery and took the inevitable calmly, and said to a friend who was conversing with him on the subject of his peace with God, that Jesus Christ had forgiven all his sins. And his last words to a friend (who was with him at the last) were: Jim, I wish I was able to tell you all. So we can but trust that now he is with his dear mother and sister, who had gone over before and were no doubt waiting to welcome him home to the Father's house.

He leaves his father, four brothers and a host of friends to mourn their loss, which we believe was his gain, and doubtless he will be waiting to welcome us when the Father says: "It is enough: come up higher to the place prepared for you."

## WEDDING ANNIVERSARY.

The home of Mr. and Mrs. G. F. Haight on Hardin avenue was the scene of a delightful time last Friday evening, the occasion being their twenty-fifth wedding anniversary. A surprise was planned for them by Mrs. Wilbur Randle, who invited about thirty friends and neighbors to meet at her home at 7:30 o'clock and from there proceeded to the Haight home in a body. It is needless to say that Mr. and Mrs. Haight were greatly surprised, but soon entered heartily into the spirit of the evening and made it a most delightful one for all.

One of the main features of the evening was the wedding ceremony. Mr. and Mrs. Haight descended the stairs and took their place in the parlor to the strains of the Mendelssohn wedding march, played by Miss Carrie Morrison. Mr. Will Osborne officiated and the ceremony caused much amusement for all. The bride wore white with long veil and carried real orange blossoms. After the ceremony the bride and groom were presented with a box of silver coins.

Dainty refreshments were served and at a late hour all departed wishing the bride and groom many more years of happiness and success. The guests from out of the city were Mrs. Knox and son of Rock Island.

## "THANK YOU," SAY SMOKERS

All Who Love a Cigar Appreciate Armstrong's Introduction of Chicots.

It is reported that the smokers in Jacksonville are going to present a testimonial to Armstrong for assuming the agency of Wadsworth Bros. Chicots, a high grade Havana filled cigar that sells for a nickel.

Armstrong, however, is perfectly satisfied, though, with the appreciative "thank you's" he has heard from lovers of a good cigar to whom he has recommended the Chicots. It is one of the best smokes in their show case, and sells at a price so low that any one can afford to smoke it.

The price, however, is not the reason why our leading lawyers, bankers, and business men call for the Chicots. They buy it and smoke it because it is a good cigar. Try one yourself and join the Chicots club.

## SPECIAL ASSESSMENT NOTICE

Notice is hereby given to all persons interested that the City Council of the city of Jacksonville, having ordained that a pipe sewer be constructed on South West street in said city from College avenue to Morton avenue, the ordinance for the same being on file in the office of the city clerk, having applied to the County Court of Morgan County for an assessment of the costs of said improvement, according to benefits and an assessment therefor having been made and returned to said court, the final hearing thereon will be had on the 12th day of April, A. D. 1906, or as soon thereafter as the business of the court will permit. All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

## Happy Feelings

No matter how bright the springtime, no matter how long you get out and enjoy life, you cannot get up the necessary energy if your blood is in a thick sluggish state. For exercise necessitates quick, rapid supplies of blood, but if your blood is clogged up with things collected during the cold months it can't flow rapidly and you soon become so tired you lose all desire to get with the growing things. Make your blood rapid and nourishing with Beef.

## DEATH RECORD

GILLHAM.

Mrs. Rebecca Ann Gillham entered into rest Monday morning at 11 o'clock at her home, two miles north of Winchester, after an illness of a week. She had been in poor health for about two years, but her final illness was of only brief duration.

The deceased was born in Harrison county, Ky., Sept. 10, 1837, the daughter of Edward and Elizabeth Waits. She was married at Cincinnati, Ky., to W. A. Gillham, of Scott county, and after her marriage made Scott county her home to the time of her death. Mr. Gillham died two years ago, and two daughters and four sons survive. Mrs. John Gordon, of Seattle, Wash.; Martha, living at home; Edward, of Scott county; John, of Exeter; W. W., of this city, and Jesse, at home.

Arrangements for the funeral have not been made, and announcement will appear later.

## FUNERALS

DEED.

The funeral services of Mrs. Mary E. Hurd were held in the auditorium of the Westminster church Sunday afternoon at 3:30 o'clock in the presence of a large congregation of friends of the bereaved family. The services were conducted by Rev. A. B. Morry, D. D., of State Street church and Rev. J. G. Lowrie, D. D., of Havana, and were of a deeply impressive character.

The choir sang "Asleep in Jesus," and then Dr. Morry read the scripture lesson, after which Rev. Mr. Lowrie made a brief address, followed by a fervent prayer, and after another song, "Jesus, Lover of My Soul," Dr. Morry made a few remarks appropriate to the sad occasion. The choir sang "Crossing the Bar," and the services ended with the benediction pronounced by Dr. Morry.

The choir was composed of Mrs. Andrew Russell, Miss Anne Young, W. B. Olds and Percy Jenkinson. The great mass of floral tributes were under the care of Mrs. Charles Jones, of Tuscola, Miss Kate Anderson and Miss Carol E. Brown.

The remains were taken to Galesburg for interment Monday, via the Wabash to Chapin and thence via the Burlington. The honorary bearers were J. Marshall Miller, J. R. Robertson, C. W. Taylor and J. G. Capps. The active bearers were Essley Moore, Frank Robertson, Frank Elliott, John A. Ayers, G. S. Russell and R. R. Stevenson. Miss Harriett S. Hurd, George Gale of Galesburg, Miss Gale of Galesburg, and Rev. J. G. Lowrie of Havana, accompanied the remains.

KUMBLE.

Brief services over the remains of A. L. Kumble were held at the residence in Alexander, Sunday, Rev. Henry Genders, of Antioch, officiating. The bearers were George Hillier, Benjamin Davenport, J. W. Waggoner, George Snyder, John Hall and Frank Koiser.

The remains were brought to this city via the Wabash on the 1:35 train, and were met at the station by members of Jacksonville lodge 152, K. of P., who remained in charge of the body until interment. The funeral services at the Christian church were largely attended and Rev. E. F. Thrapp preached the funeral discourse. The choir was composed of Miss Cora Graham, Mrs. Joy Green, Guy B. Williamson and C. L. Hayden, and the flowers were in charge of Mrs. Flora Hall, Mrs. Davenport, Mrs. Allen Green and Mrs. S. T. Anderson.

At the conclusion of the services the remains were laid to rest in Diamond Grove cemetery. The bearers were George W. Smith, Henry J. Rodgers, H. C. Montgomery, Chas. L. Hayden, C. A. Bonuff and Charles E. Graff.

The Modern American order, of which Mr. Kumble was a member, was represented at the funeral by H. J. Rodgers, H. C. Montgomery, Wm. Towers, Frank Conkley, Charles Goodey, Joseph Towers, John Beauman, John Carroll, John Cleary, John McDonnell and George Coffman.

BREWSTER.

The funeral of J. D. Brewster was conducted from the residence on North Prairie street Sunday morning at 10 o'clock, Rev. W. H. Wilder, of Centenary M. B. church, officiating. The flowers were in charge of Mrs. George Smith and Mrs. F. L. Ledford.

The remains were interred in Diamond Grove cemetery. The bearers were W. S. Badger, Lee P. Allcott, J. A. Obermeyer, J. F. Shreve, all members of the drug trade, F. L. Ledford and E. O. Mayer.

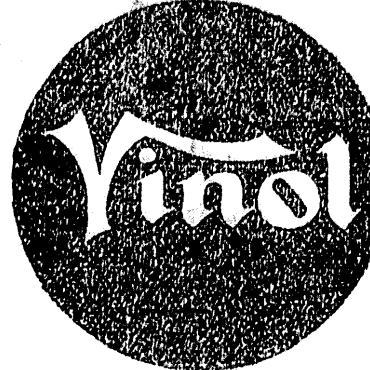

VIEIRA.

The funeral services of the late Joaquim Vieira were held at the Jordan Street Presbyterian church Sunday afternoon at 2 o'clock, in charge of Rev. R. F. Cressey, assisted by Elder A. P. Vasconcellos, who interpreted the sermon into the Portuguese language. Music was furnished by Mrs. James Scott, Mrs. J. M. DeFreitas, Edward Marks, Antonio DeFreitas and Miss Maxine Day. The flowers were in charge of Mrs. Sam Lee.

At the conclusion of the services, the remains were laid to rest in

Jacksonville cemetery. The bearers were A. F. Franks, Frank N. Vieira, Joaquim Rodrigues, John Vieira, Joseph Vieira and Manuel Vieira.

## Tumors Conquered Without Operations

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

So-called "wandering pains," may come from its early stages, or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain extending from the abdomen through the groin and thighs.

If you have mysterious pains, if there are indications of inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound at once and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice.

Read these strong letters from grateful women who have been cured:

**Dear Mrs. Pinkham:**—(First Letter.) "In looking over your book I see that your medicine cures Tumors. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."—Fannie D. Fox, Bradford, Pa.

**Dear Mrs. Pinkham:**—(Second Letter.) "I take the liberty to congratulate you on the success I have had with your wonderful medicine."

"Eighteen months ago my periods stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor and would have to undergo an operation."

"I soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined by a doctor."

## "THE WORSTED MAN"

Sprightly Comedy Given by Phi Nu Society of Woman's College—Members of the Cast—Large Audience Present.

The Phi Nu literary society of the Woman's college presented "The Worst Man" in the chapel of the college Monday night to an audience that filled the entire room. All the parts were very well taken and the presentation was all that could be asked for. Miss Corn McClurg as Mr. Wooley, "The Worst Man," played her part exceptionally well, and in fact all who participated did very well indeed. Much credit for the success of the play is due to Mrs. Theodor C. B. Dean, who acted as coach for the members of the cast.

The scene of the play is laid at a summer resort at Highland Hills, New Hampshire. A number of girls are spending the summer at this place and as there are none of the stern or sex around they begin pinning for a man, so one of the girls gets the idea of making a worsted man, which she knits, and as the springs at this particular place are noted for their curving powers the "worsted man," after he is complete is given a drink of spring water which is brought from the spring by a colored boy.

The "worsted man" immediately comes to life and the girls explain to him the art of making love and tell him if he is caught flirting that he will have to pay the penalty of being unraveled. It is at this point that the girls find out that they have for a time given him a heart, so he is supplied with a number by the porter of the hotel and it is only a short time until the "Worsted Man" becomes a lightening love maker, and finally has only love to all the girls and given them each a heart. It is now that the "Worsted Man" is found out and he has to pay the penalty. The lights go out, and when they are relighted he has disappeared.

Final Rehearsal Gives Promise of Excellent Concert.

Last night at State Street church was held the final rehearsal of the Jacksonville Choral club for the concert which is to be given at the same place this evening. The rehearsal was a surprise even to the members themselves, and the concert to night will be one of the best ever heard in our city. The works to be given are Coleridge Taylor's "Hiawatha's Wedding Feast" and "The Death of Minnehaha." The soloists are Mrs. Lillian French Read (soprano), Garrett Hodge (tenor) and Grant Hadley (baritone), all from Chicago. The chorus numbers almost ninety voices and is under the direction of W. B. Olds. F. L. Woodhouse is the pianist.

Programs or tickets may be secured to day at C. H. Smith's music store.

HERMAN'S OPENING THURSDAY

Great concert continues from 9 a. m. to 9 p. m. Thursday at Herman's opening by Jeffries' famous orchestra.

SPECIAL ASSESSMENT NOTICE

Notice is hereby given to all persons interested that the City Council of the city of Jacksonville, having ordained that a pipe sewer be constructed on Franklin street in said city, from the center of East street, thence east 540 feet, the ordinance for the same being on file in the office of the city clerk, having applied to the County Court of Morgan County for an assessment of the costs of said improvement, according to benefits and an assessment therefor having been made and returned to said court, the final hearing thereon will be had on the 12th day of April, A. D. 1906, or as soon thereafter as the business of the court will permit. All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Said Special Assessment shall be divided into ten installments, which installments shall all be equal in amount except that fractional installments shall be added to the first, and shall be due and payable on the 2d day of January next, after completion and acceptance of the work, and the second installment one year thereafter, and so on annually until all are paid. ### BAD BLOOD WEAKENS THE SYSTEM AND INVITES DISEASE

Every part of the body is dependent on the blood for nourishment and strength, and when from any cause this vital stream of life becomes impoverished or run-down, it invites disease to enter. No one can be well when the blood is impure; they lack the energy that is natural with health, the complexion becomes pale and sallow, the vital energies are at a low ebb, and they suffer from a general broken-down condition of health. The system is weakened and unable to resist the diseases and disorders that are constantly assailing it. The Liver and Kidneys, failing to receive the proper stimulation and nourishment from the blood, grow inactive and dull, and the waste matters and bodily impurities that should pass off through these channels of nature are left in the system to produce Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases or some other blood disorder. When the blood is in this weakened and diseased condition it should be treated with a remedy that is not only thorough, but gentle in its action. S. S. S., a purely vegetable remedy, made of roots, herbs and barks, is just what is needed. It not only cleanses the blood of all impurities and poisons, and enriches and strengthens it, but gently builds up the entire system by its fine tonic effect. S. S. S. reinvigorates every member of the body, gives tone and vigor to the blood, and as it goes to the different parts, carries robust health and strength. S. S. S. acts more promptly and gives better results than any other medicine. It cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases and all other blood disorders, and cures them permanently. Our Medical Department will be glad to give advice without charge to all suffering with blood or skin diseases. Address

TO MAKE SEARCH STIFF, and to keep it from sticking, and give it a perfect finish, add a teaspoonful of 20 Mule-Team Borax to each pint of boiling starch.

BORAX WILL CLEAN LACE.—Let the lace soak overnight in weak borax water. Use 20 Mule-Team Borax soap, thoroughly by time, and pin on a sheet.

TO CLEAN LIPIDING BOTTLES.—After rinsing the bottle in cold water, fill with hot water, containing a big pinch of 20 Mule-Team Borax. Let stand until wanted. Leave rubber nipple in borax water until meal time. Just before using, rinse the bottle in fresh water.

WASH WINDOWS WITH 20 Mule-Team Borax water and rub with cloths or soft cloth.

A COPPER POT OR TEA POT can be kept without stain or odor, if washed with hot water containing 20 Mule-Team Borax.

OLIVE OIL can be easily cleaned with borax water. Woodwork and carpets can all be made like new if washed with borax water. A teaspoonful of 20 Mule-Team Borax to a gallon of warm water, using 20 Mule-Team Borax Soap.

MARBLE.—To clean marble statuary, use 20 Mule-Team powdered borax (no soap). Apply with a clean white cotton cloth. Place the cloth over the end of the finger, dip in clean warm water, and then in powdered borax; rub the soiled places thoroughly, using a clean place on cloth for every spot. For rough surface marbles, a clean brush may be used.

If your dealer has not "20 Mule-Team" Borax, take no substitute. Write us, enclosing 5 cents, giving dealer's name, and we will mail you a package, and include a cake of "20 Mule-Team" Borax Soap. We also have 40 page illustrated booklet, "Borax in the Home." Address, PACIFIC COAST BORAX CO., Chicago.

In Laundry Work, the best soap to use with "20 Mule-Team" BORAX WHITE SOAP—insures white clothes, soft hands.

### SERVICES WERE OF ESPECIAL INTEREST IN MANY CITY CHURCHES SUNDAY.

Large Gain in Membership Noted—Persons Converted Under Preaching of Evangelist Culpepper Made Denominational Choice.

Services at nearly all the churches of the city were of unusual interest Sunday with large congregations almost without exception. The effects of the recent revival meetings were much in evidence and a bountiful harvest of new members was reaped. While the number received into the churches approached 100, more than that number probably will be received next Sunday.

**STATE STREET CHURCH.**  
At State Street church the usual services were held, with large congregations. Between twenty and thirty were received into membership. The annual church banquet will be held Thursday of this week.

**CHRISTIAN CHURCH.**  
At the Christian church the pastor preached at both services, in the morning taking as his theme: "Our Work for Five Weeks." He outlined the work that would have to be done between now and the time of dedicating the new church, and asked for volunteers to furnish certain things needed, such a piano, etc. This response to this call was liberal and quite a number of things were provided for. Eight were added to the church.

At the evening service the senior chorus was assisted by the juniors in a spirited song service. The attendance at Sunday school was 50. A business men's class was organized with a membership of twenty-one. James Watt is the teacher.

**CENTENARY CHURCH.**  
There were two good audiences at Centenary. Dr. Serlinger preached in the morning and thirty-six persons were added to the church. The pastor preached in the evening. There was an unusually large attendance at Sunday school, and thirty-five attended Junior League.

**JORDAN STREET CHURCH.**  
Rev. H. F. Cressy preached at Jordan Street church in the morning, and in the evening a good congregation heard the address of D. K. Laurie on Sunday school mission work, in which he is interested in Minnesota.

**TRINITY CHURCH.**  
The pastor preached both morning and afternoon at Trinity church. Lenten services are being held each afternoon at 4 o'clock in the chapel, and Wednesday and Friday evenings. The holy communion will be observed Thursday morning at 7:30 o'clock. Bishop Seymour will visit Trinity parish the first Sunday after Easter.

**GRACE M. E. CHURCH.**  
Dr. Oneal preached at Grace church in the morning, and Dr. Serlinger in the evening. There were eighteen additions, one of whom were from the revival services and eight the result of work in the church.

**BROOKLYN CHURCH.**  
Because of the illness of Rev. Dr. Mustrove, C. G. Snow preached at the morning services at Brooklyn to a good congregation. There was no evening service.

**SALEM LUTHERAN.**  
The regular German morning service was observed at Salem Lutheran church, and in the evening an English Lenten service was conducted by the pastor.

**WESTMINSTER CHURCH.**  
Owing to the address caused by the death of Mrs. Hurd, services at Westminster church were of a very simple character. D. K. Laurie of Minnesota spoke of Sunday school mission work at the morning service, and Rev. E. G. Lowrie of Tampa spoke in the evening.

**GERMAN M. E. CHURCH.**  
The usual services were observed at the German M. E. church.

**BAPTIST CHURCH.**  
The good effect of the tabernacle meetings was quite evident in the very large congregations at the First Baptist church at both the morning and evening services. At the morning service twenty-two converts presented themselves for admission to the church and at the evening service twenty were baptised. Fifty-eight names were handed Rev. Mr. Marsh as the number who at the Culpepper meetings signified a desire to unite with the Baptist church.

**CONGREGATIONAL CHURCH.**  
The regular services were observed at the Congregational church, the pastor preaching both morning and evening.

**SECOND CHRISTIAN CHURCH.**  
Revival services are being conducted at the Second Christian church by Rev. George Campbell of Nashville, Tenn. There were three services Sunday, all of which were well attended.

**A. M. E. CHURCH.**  
The services at the A. M. E. church were as usual, the pastor preaching both morning and evening.

**MT. EMORY BAPTIST.**  
Rev. J. O. Derrick preached at both services at Mt. Emory Baptist church. Other meetings were as usual.

**A FAVORITE REMEDY FOR BABIES.**  
Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by all leading druggists.

### Eating Carelessly

frequently causes stomach troubles, but careful eating will never right them. When your stomach is out of condition, it needs help that no food can supply. It must be thoroughly cleansed, settled and strengthened. Food never does this.

### BEECHAM'S PILLS

are the greatest stomach medicine human skill ever compounded. Don't attempt to cure your stomach by dieting. You will half starve and get little benefit. Give Beecham's Pills a chance and you will again know the pleasures of a sound digestion. Appetite will return and the stomach again work without any discomfort. The skin will clear, the face plump out, while people will remark "How well you're looking." These are facts, not fancies. Prove it yourself.

### No. 5 Making Medicine History

Several years ago, a thousand of the leading druggists throughout the United States organized themselves together in a co-operative company to produce remedies which they could back up with their own names and their own reputations.

The first object of this co-operative company was to produce a line of remedies that every druggist would know thoroughly. There were to be no secret formulas; the ingredients of every remedy would be known to every druggist.

Each of these thousand druggists contributed to the organization all that his knowledge and experience had brought to him in the way of advice as to different remedies. The formulas of something like 2,000 or more remedies were sent to the company. A committee of experts was appointed and this committee went over the various formulas conscientiously and earnestly for a long period of time and selected from the entire list about 200 standard remedies, the manufacture of which the company then undertook.

The company in the meantime had erected a perfect laboratory—large, well-appointed, with every appliance known to modern skill. The combined capital of a thousand druggists made it possible for the company to purchase in the largest quantities the fundamental drugs

and herbs, etc., that form the ingredients of the various remedies. This meant not only the highest quality in manufacture, but the very greatest economy—the cutting out of every wasteful item and every unnecessary expense.

The remedies when manufactured were shipped directly from the laboratory to the retail druggists. This insured their freshness and made it impossible for their quality to deteriorate. Not only that, but it also did away with the jobbers' profit. Here again the co-operative system added not only quality but brought about economy.

Most of our patrons are familiar with these facts. Most of them are already acquainted with the formulas of Rexall Remedies which are manufactured by the United Drug Co., with laboratory and principal offices in Boston, Mass. These are the remedies and this is the co-operative company that we believe has done more to bring about a change in patent medicine conditions than any other element in existence.

Each of the Rexall druggists knows absolutely what each Rexall remedy contains. He has the formula of each remedy on file in his safe. He will gladly give it to anyone who is interested. There is nothing secret about any of the Rexall formulas. On the contrary, we are thoroughly proud of them. We want you to know about them.

For Catarrh, Rexall Mucu-Tone, 50 cents  
For Dyspepsia, Rexall Dyspepsia Tablets, 25 cents  
For Nervousness, Rexall Americanitis Elixir, 75 cents  
For Falling Hair, Rexall "93" Hair Tonic, 50 cents

## THE PURE FOOD

## ROLL OF HONOR

"Good Housekeeping," a well known household national magazine, voluntarily made a thorough examination and test of None-Such Mince Meat, and placed it without reservation upon its roll of honor. In the March number of Good Housekeeping, in the department of "Pure Food Assurance," we find:

"None-Such Mince Meat, Merrill-Soule Co., Syracuse, a semi-moist condensed compound of beef, apples, spices, sugar, raisins, currants, boiled cider and salt, without other preservatives or adulterants, no artificial coloring, produced under conditions as near to sanitary perfection as possible."

This guarantee, which could not be bought at any price, ought to satisfy the most particular housewife. The sale of one million packages a month seems to prove the statement to be true. Your grocer sells None-Such. Try it, and satisfy yourself. You are the one.

#### A CLEAN RECORD

The John Hancock Life has No Skeleton in the Closet, as Shown by the Policyholders' Examining Committee.

The report of the policy holders' examining committee of the affairs of the John Hancock Mutual Life Insurance company of Boston, Mass., is found elsewhere in this issue. It shows the company is financially one of the strongest in the country proportionate to its size. It was organized in 1802 and operates under the famous Massachusetts laws governing old line life insurance companies. Aside from its annual report to the insurance commissioner, the commissioner, under the law, is obliged to make a special examination of the company at least once in three years. In addition to this the by-laws of the company provide that a committee of three of its policy holders shall make a complete examination of the company's affairs every year and verify the annual statement of the company; no two of whom can serve more than once on the same committee. The policyholders making up the committee are men of affairs and prominence in the business and professional world.

There is no capital stock to absorb any portion of the surplus fund which belongs to the policyholders and is distributed to them annually, which means insurance at the lowest possible cost compatible with absolute security. From this report it will be seen that the company is in no way connected with syndicates or mixed up in speculative alliances, has no favored relatives to draw enormous salaries, and has no improper relationship with banks or trust companies.

The fact that this policyholders' company increased its outstanding insurance over thirty nine millions in 1905, notwithstanding the recent upheaval in certain quarters of the insurance world, is conclusive evidence of its progress and prosperity in resources and public confidence.

#### SPECIAL ASSESSMENT NOTICE

Notice is hereby given to all persons interested that the City Council of the city of Jacksonville, having ordained that a pipe sewer be constructed on Mauvaisterre street in said city, from College avenue to Franklin street, the ordinance for the same being on file in the office of the city clerk, having applied to the County Court of Morgan County for an assessment of the costs of said improvement, according to benefits and an assessment therefor having been made and returned to said court, the final hearing thereon will be had on the 12th day of April, A. D. 1906, or as soon thereafter as the business of the court will permit. All persons desiring may file objections in said court before said day and may appear on the hearing and make their defense.

Said Special Assessment shall be divided into ten installments, which installments shall all be equal in amount except that fractional installments shall be added to the first, and shall be due and payable on the 2d day of January next, after completion and acceptance of the work, and the second installment one year thereafter, and so on annually until all are paid. All installments except the first shall bear interest at the rate of 5 per cent per annum.

JAS. H. DANKIN, Commissioner of Special Assessments

#### WILL MAKE ADDRESS.

Attention of the general public is again called to the lecture of Dr. J. N. McCormack, of Bowling Green, Ky., who will deliver an address in this city Tuesday evening, April 11.

Dr. McCormack is the national organizer of the American Medical association and is in close touch with all phases of the profession and from his experience and observation is especially qualified to discuss topics bearing upon the relationship of the profession to the general public.

His address in this city will be upon the subject, "Things About Doctors which Doctors and Other People Ought to Know." The address will be open to the public and the place will be announced later.

#### TRI-CLASS LEAGUE

Will Hold Reunion—Illinois College Organization Lays Plans for June Meeting at Conference of Home Members.

A meeting of the resident members of the Tri-Class League of Illinois college was held at the Dunlap hotel Monday evening. The meeting was called by President H. J. Capps for the purpose of making the preliminary arrangements for the biennial reunion which will be held in this city in June during the commencement season. Several committees were appointed to take up the detail work and an effort will be made to bring back a large number of the former Illinois college students.

The league comprises the classes of 1899, 1900 and 1901 and both graduates and ex-members of these classes are enrolled as members in the organization making a total of 117.

The reunions are to be held every two years and this will be the first reunion of the organization, although two years ago the three above named classes held their reunions here and at that time the members of the three uniting in a joint banquet on that occasion.

The date of the reunion for this year has not been decided upon but will be held sometime during the Illinois college commencement week.

Everything that is the latest in style and material for your new spring hat is on display this week in our millinery department. Blackburn-Floeth Co.

#### TO SING IN ELGAR'S "THE APOSTLES."

The following notice referring to Mrs. Lillian French Read, who is to sing with the Jacksonville Choral club at State Street church this evening, appears in Musical America for March 24th.

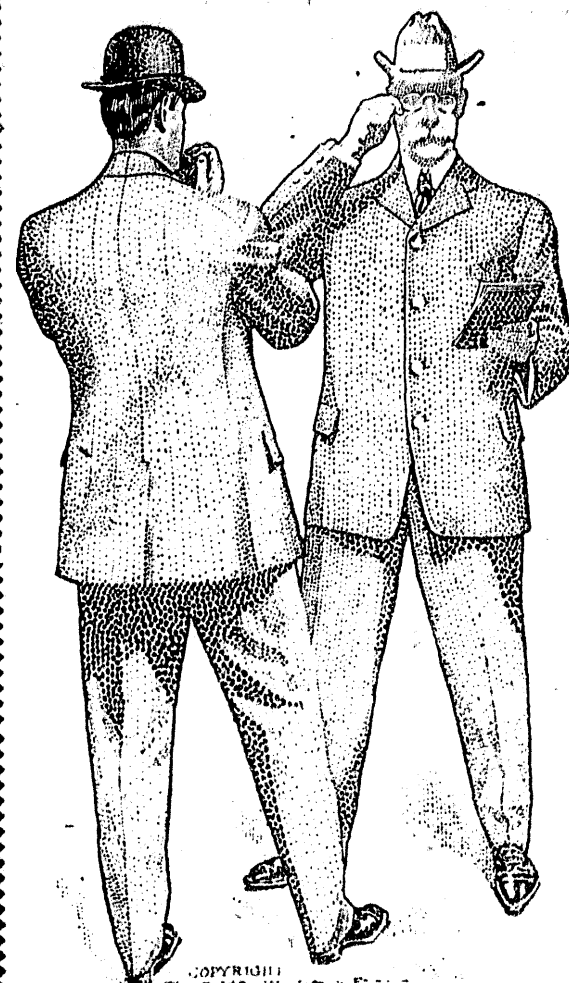

Chicago, March 20.—Mrs. Lillian French Read has been selected by the Apollo club to sing the soprano part in Sir Edward Elgar's "The Apostles" in April.

#### GROOMING AND CLIPPING

Time Near at Hand—You Will Want Reliable Work Done.

It is soon going to be time to have your horses prepared for warm weather and you will need the best of grooming and clipping done. Cupid Moseley, the blacksmith, located on North Mauvaisterre street, is prepared to do the most expert work to be had in this line. He advises that the horses should not be clipped before April 1, but you should be looking around to see where you expect to have your work done.

Mr. Moseley is an expert in his line, his experience with horses qualifying him to judge of the most approved methods in clipping and grooming. He has handled high school horses for the best stables and cared for many fine animals where skill and ability were demanded. With the advantage of this large experience he can care for your horse and guarantee the work that is done. Being an expert horseman, and having for many years worked with horses you should consult Mr. Moseley about grooming and clipping.
